FUTURE OF THE READING ROOMS

Over recent years the Reading Rooms has become increasingly costly to run and work still needs to be done on the building. It is running at a loss. The number of village special interest groups using the main room has decreased and it is now used only 8 or 9 times a month for 1 1/2 hours a time plus occasional use for voting or private hire. Any of these meetings could be accommodated in the Village Hall.

The Village Hall Committee would like to put the Reading Rooms up for sale with the proceeds going towards the maintenance and improvements of the Village Hall.

There will be a meeting open to all adults in the village on Tuesday 27th November at 7.30pm in the Reading Rooms to discuss this proposal.

PARISH COUNCIL NEWS

Our new parish clerk, Sandra Morrison, took up office in September. She is in the Reading Rooms most Mondays from 10.00am to 12.00 and can be contacted on 01262 470496.

Sandra recently applied to the Aviva Community Fund for funding for a path linking the existing one on Beverley Road with the public footpath at the top of the hill. The great news is that we have got into the second stage so now it's time to vote to support our application.

You can view the project (apologies for the typo!) and register to vote by following this link: <https://community-fund.aviva.co.uk/voting/project/view/4-3128>. After registering enter 4-3128 in "Search project titles and organisations" to get back to our project.

Each registered voter has 10 votes so everyone can make a real difference to the outcome.

The project will open up a safe, circular country walk that will benefit many villagers and, although there is a long way to go, with your help there is no reason why we shouldn't win the final award.

Let's be proud of Middleton.

The book exchange in the old telephone box is up and running.

After many years as editor of the Middleton on the Wolds newsletter Margaret Woolston has decided to retire..

The members of Parish Council would like to thank Margaret for her dedication and hard work in producing the newsletter, which has been enjoyed by many residents of the village.

We are sure our thanks will be echoed by lots of people in the village and we wish Margaret all the best for the future.

DOG FOULING ON THE RECREATION GROUND

Users of the recreation ground have expressed concern about dog fouling, particularly on the football pitch.

Apart from the sheer unpleasantness of making a sliding tackle through a mound of dog mess it is potentially hazardous as infection can easily pass through broken skin.

As well as the sportsmen the rec is also used by children the younger of whom are especially vulnerable to dog faeces-borne infection.

The great majority of dog walkers do pick up after their dog and resent being associated with the inconsiderate few who do not. There really is no excuse for not picking up.

I will be returning to this subject, including the legal position, in future newsletters, and, if you have any comments, observations or objections on or to any of the above please do not hesitate to contact the author, Mike Kelly, on 0771 362 0912.

It's our village; let's keep it a decent place to live.
