- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACHU0161)

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

Section 2, Box 9: Information received from the smaller authority indicates that assets purchased during the year have not been included in Box 9 (play area equipment, defibrillator & memorial seats). Please note that proper practice, as specified in the Practitioners' Guide, only requires that assets are recorded at their original cost and no adjustment is required until disposal. Where original cost is not known a proxy such as insurance value may be used but this value should remain constant throughout the period of ownership and not be revised to reflect current values.

The Annual Return was not fully completed before submission for review the Council has not completed the current or prior year Box 5 figures in Section 2. Please ensure that each box in Section 2 is answered with either a figure or an indication of a nil balance.
